

# A PRAYER FOR PASSOVER

©Joanne Fink, 2022

As we gather around the Seder table, may each of us find meaning and purpose  
in retelling the age-old story of the Exodus from Egypt.

As we journey from bondage to redemption, may we recognize that the Haggadah  
holds more than history— it is a tangible connection to our heritage.

Aren't we all wanderers in the wilderness? Don't we all yearn to be part of something greater than ourselves?  
In this time of ongoing challenge and uncertainty, how do we hold on to hope?

## *WHY IS THIS NIGHT DIFFERENT FROM ALL OTHER NIGHTS?*

This night is different because we are here, together, having made the commitment to remember and recount.  
May we be fully present and open to the mysteries about to unfold.

### ON THIS NIGHT

May our souls cry out against indifference, injustice and inequality,  
and may we be inspired to work towards understanding and enlightenment.

### ON THIS NIGHT

May our hearts grow in compassion and may we find the courage and ability  
to bring freedom to those enslaved and hope to those who are suffering.

### ON THIS NIGHT

May we feel a connection to community and each other, and  
may everything we say and do reflect our best, most loving selves.

### ON THIS NIGHT

May we rediscover that LOVE is the answer;  
**LOVE IS ALWAYS THE ANSWER**  
and may that sacred truth fill our hearts,  
our homes and our world with peace.
